2. CONTRIBUTION TO THE MASTERCLASS	
-Title	Digitization of International Relations, Relations between People and Cooperation in the time of COVID-19
-Summary of the main contents	<p>Our topic is dealing with new dynamics of the digitization of international relations as well as the cultural behavior of people regarding digitization. Something which is also concerning is how COVID-19 impact cooperation between people and how it is perceived.</p> <p>We analyze three major sub-topics we hear about within the international community especially due to this recent crisis of COVID-19.</p> <p>1st axis: The accelerated transition to online meetings and diplomacy requires major changes.</p> <p>2nd axis: Face-to-face social dynamics must be adapted to new online dynamics</p> <p>3rd axis: The time of uncertainty: Personal feelings about the world after COVID.</p>
-Envisaged format for the presentation (ppt,video,other)	PPT Video
