2. CONTRIBUTION TO THE MASTERCLASS	
-Title	Comparison of Covid-19’s impact between France and Italy
-Summary of the main contents	We would like to talk about the impact of Covid-19 on young people’s lives by doing a comparison between France and Italy. We would like to make a point of how young people felt during the pandemic, how university and the scholastic system changed from before-Covid to Covid. How the public health and the health workers have been treated between the beginning of the Pandemic and now in both France and Italy.
-Envisaged format for the presentation ( ppt,video,other)	Power Point presentation
